## **OTSEGO EXPRESS Public Transportation in Otsego County**

### **Request for New/Modified Transportation Service**

Use this form to present a request for new or modified service of Otsego Express.

Please review the current service offered by Otsego County as shown at [www.otsegoexpress.com](http://www.otsegoexpress.com). Make your request relative to the information shown there.

New or modified service is dependent on many factors including cost effectiveness. As with the existing routes, service is usually limited to main roads (county or state) with limited demand-responsive service slightly off the main road.
